Downtown Stroll Vendor Registration Form 2023

We would like to invite you to join us at the Downtown Stroll Saturday, December 9, 2023. Crowds of people attend our annual "Parade & Stroll" and all of them will bring an appetite for food and crafts. The Stroll will begin as soon as the parade has ended. You will need to be set up and ready to sell at 9am and not close until 2pm. Road closures will begin at 9:00am and will not re-open until 2:00pm. Please review the information that summarizes the regulations that must be adhered to as a condition for participation as a vendor in the Downtown Stroll. **PLEASE CHECK EACH BOX AFTER READING.**

- Deadline for applications is December 1st, 2023.** Applications will be reviewed and accepted on a space available basis only. We have limited spaces available and once full we will form a waiting list.
- You will receive a 10x10 spot (checks made out to Thomasville Alabama Chamber of Commerce) with your registration form. You may pay via Credit Card but will be subject to additional fees. If you need additional space, you must purchase additional spots.
- Early Registration (ends Nov. 10th): \$40.00 | Late Registration (Nov. 13th – Dec. 1st) \$50.00**
- Spaces are first come first serve. If you wish to return to a previous year's space, you must sign early and reserve your space at the Chamber Office. You are not automatically guaranteed a space from a previous event. Where you sign up at registration is your spot, non-negotiable.
- December 5th – 7th, you can stop by the Chamber Office to receive your booth location and necessary materials. In the event that there are leftover spaces, vendor spaces will be moved closer together and closer to Wilson Avenue.
- You must be self-sufficient.
- Water will **not** be provided. If you need water it is your responsibility to make arrangements for it.
- Electricity accessibility must be approved at registration. Electricity accessible spots are limited and must be approved by the Chamber Office.** Vendors are responsible for bringing their extension cord (only 1 cord/plug-in per vendor). These spots are first come first serve.
- If you are using a generator, you must include on your registration at time of submission.**
- If you are approved for power, the vendor will be allowed to have **one** extension cord with a splitter. You must be approved to plug-in ahead of time due to tripping breakers downtown. If too much power is drawn between all vendors, it will trip the power downtown and no one will have power. **No surge protectors or larger than 3 plug splitters.**
- If you need a heater it can be 1) Propane or 2) Plugged into a generator. You will NOT be allowed to plug a heater into light poles, flowerbeds, etc. in downtown.
- You must be with your booth, in your assigned location, set up and ready to sell by 9:00am. **NO EXCEPTIONS!** If you are not in your assigned location before the streets close, you will not be allowed to set up. Nor will you receive a refund.
- Vendors must remain open until 2:00pm. Streets will re-open at 2:00 pm for break-down.
- No cars will be allowed to drive in event space perimeter from 9am-2pm (streets, parking lots, etc.).
- If you cannot make the event, you are **required** to let us know by December 8th at 12:00pm.
- NO REFUNDS.**

I agree to the above rules and regulations. If I fail to adhere to the rules and regulations listed above, I accept it may inhibit my applications for future events.
